Foreword

We, the Lance Staff of 1964, have endeavored to portray in this yearbook the experiences which have been set in our memories this year. To those who are unfamiliar with life at Ripon Christian, we hope that this will give an insight to the life and spirit here. To the students at Ripon Christian we hope this will bring back fond memories of a wonderful school year.

Sincerely,

THE LANCE STAFF

EDITOR: Bill De Jong

Dedication

We, the 1964 Lance staff, dedicate this Lance to Miss Van Dyken. Only in a small way can this express our appreciation of your service as a Math teacher, as a class sponsor, as play director, and as personal advisor.

It is our hope that many future classes at R. C. H. S. will be privileged to have you for their instructor as we have.

Principal's Message

Graduates of 1964:

Hope for a dying world! World leaders are trembling today. The country that has been looked up to as a model of democracy is mourning the death of its leader by an assassin's bullet. Our highly vaunted educational systems are failing to produce the responsible citizens we had hoped for and the rise in juvenile delinquency is an evidence of its tragic failure. Now where can man turn?

You as graduates of a Christian school have the answer. Only God who created the universe and now upholds it can save us from ourselves. You have a message for the world. Each one of you has a duty to point your fellow citizens to God's Word and God's law for solution to our problems and those of our country and the world. You are the hope of America and the world. If You fail?

Sincerely,

Andrew De Jong

Class Motto: "I Look Not Back But Always On And Upward."

Class Song: I Look Not Back

I look not back; God knows the fruitless efforts
The wasted hours, the sinning, the regrets.
I leave them all with Him who blots the record,
And graciously forgives and then forgets.

But I look up into the face of Jesus
For there my heart can rest, my fears are stilled;
And there is joy, and love, and light for darkness,
And perfect peace, and every hope fulfilled.

The Tejes Club

The Tejes Club was organized in 1943. Its original purpose was to be a social club for the Junior and Senior girls. The main money-making project was selling peanuts and potato chips.

The major fund raising project of the present Tejes club is the annual Tejes Ham Dinner; the club also operates the daily snack shop. Our money is used for such things as the gym stage curtains and office chairs.

Because the club has grown, the social activities of the club are limited. The club instills a feeling of unity between the Junior and Senior girls. "Secret pals" exchange gifts for a year, revealing themselves at a Christmas party. Other social activities of the club are minor.

Activities

Ditch Day

November 15, 1963, we managed to be dragged from bed around 3:30. About 8:30 we rolled into Yosemite a little worse for wear. All but six made it to the top of Nevada Falls, and seven or eight made it almost to the top of Half Dome. The afternoon passed swiftly with the finding of our cabins and getting settled. Later that evening after chasing some racoons we retired (about 2:30). Too few hours later, after breakfast and a snow fight, we headed for home, each his own way.

Harriet

This year under the capable direction of Miss Van Dyken, we produced "Harriet." The play is about Harriet Beecher Stowe, author of Uncle Tom's Cabin, who finally faces the issue of slavery and writes the book which made her famous.
